Information Technology

POSITION

Senior Network Administrator

LOCATION

New Enterprise, PA

DESCRIPTION

New Enterprise Stone & Lime Company, Inc. (NES&L) is a leader in highway and road construction, headquartered in Bedford County Pennsylvania. Bedford County presents a quiet rural setting with the closeness of larger cities, such as Pittsburgh or Harrisburg.

NES&L has an immediate need for a Sr. Network Administrator in the Information Technology Department at their Corporate Headquarters in New Enterprise, PA. This position is part of a team that will be maintaining, building, upgrading, and troubleshooting the servers and equipment on our WAN across the Company and its subsidiaries.

Qualified candidates will have 7 Years minimum work experience in complex network administration with in depth knowledge of CISCO equipment and solutions to include Call Manager and video conferencing. You should be very comfortable working in a mixed protocol environment as NES&L has over 120 sites connected to a multi-OS backend.

Ideal candidate will possess a bachelor degree in computer science, information systems, or education, and/or will have equivalent real world experience. A CCNP certification or equivalent knowledge is required for the successful candidate.

NES&L has grown rapidly in the last few years and is an organization embracing new technologies in order to continue this expansion. The Corporate Headquarters is located south of Altoona amongst hills and farmlands in a quiet, family oriented area. NES&L offers highly competitive compensation, comprehensive benefits package and may have relocation package for the qualified candidate.
